

PRESS RELEASE: The Rt Hon Frank Field MP DL and The Rt Hon  
Nicholas Soames MP

Immediate Release: 2<sup>nd</sup> February 2012

**Damian Green Speech**

In response to the speech given by Damian Green MP at Policy Exchange today, Frank Field and Nicholas Soames said:

"This proposal to break the almost automatic link between coming here to work and getting settlement has to be the right way to go. It will allow British business to employ the people they need without adding to our already rapidly growing population. The Cross Party Group on Balanced Migration has been campaigning for this policy for four years."
